From: Commander, Naval Facilities Engineering Command

Subj: Fall Protection Guide

Encl: (1) Fall Protection Basics Reference Guide

1. During FY96 NAVFACHQ sponsored six fall protection seminars which were conducted by Gravited Systems, Inc. These training seminars were 5 hours in duration and created an awareness of the many fall hazards associated with construction and their solutions. Enclosure (1) is a pocket guide developed by Gravited Systems, Inc. and provides information on fall protection, fall arrest systems, anchor systems, rescue, etc. This guide is provided for information and use by field personnel.

2. It is requested that you provide a copy of enclosure (1) to your facility support contracts section and **ROICC** office personnel, as appropriate, for their use in the field. If you need additional copies you can order them from Gravited Systems, Inc., 7275 11th Street SE, Calgary, Alberta Canada **T2H 2S1** for \$5.00 a copy plus shipping and handling. POC for ordering guides is Kevin Bauchman at 403 253-2121.
